

Climax Metal Products Co.  
Wickliffe, OH

## **MARKET UPDATE** SERIES

### **Corrosion is Costly!**

**The annual direct cost of corrosion in the U.S. is estimated at \$267 Billion, according to a two-year study sponsored by NACE International –The Corrosion Society**

Utilities represent the largest cost at nearly 35% of the total, transportation at 22%, infrastructure at 16%, government at 15% and production/manufacturing at 12%.

Our new lines of corrosion resistant collars can save your customers costly repair and downtime.
